

48CREATE PARTICIPANT AGREEMENT

This agreement is between the supervisor of the film team (Project Participant) and 48Create for the creation of a short film or video (the "Film"). Project Participant agrees to participate in 48Create and abide by the Official Rules of the Project. 48Create reserves the right to only screen films that follow the Official Rules.

Project Participant is responsible for all necessary crew, cast, equipment, sets, locations, and costs, including any injuries or damages, related to participating in 48Create. 48Create will provide the event, guidelines, a screening opportunity, and a prize for winners.

Project Participant must secure rights for images, sounds, and music used in the film and will indemnify 48Create from any claims related to the film's creation or use.

48Create has the right to screen, show, exhibit, broadcast, or disseminate the film in any way, including theatrical release, television, and the Internet, and can use the film's name or images for publicity. Project Participant can submit the film to festivals but cannot screen it elsewhere without 48Create's consent.

Project Participant hereby acknowledges that 48Create has the right to screen, show, exhibit, broadcast or disseminate in any way possible, including and not limited to theatrical release, broadcast/cable television, and/or the internet; and the right to publicize 48Create using the name or images of the "Film."

Participation in 48Create is without compensation. The consideration for participating is the screening of the film at the end of the project and the possibility of future screenings and exposure.
